

Arbutus Middle School

Student Absences Due to Quarantine

Assignments will be posted on Schoology for each class. Students should contact their teachers via Schoology with any questions about the class or class work. Students have the option to meet with dedicated teachers via Google Meet during coach class times and/or Face 2 Face AMS Teacher Tutor Time.

- The length of time that a student is on Google Meet for **coach class** may vary depending upon the support and assistance needed by the student.
- Quarantined students will have an opportunity to interact with their teacher and ask questions during coach class. Please refer to teachers' Schoology pages for dates and times of coach classes.
- Students **may also** receive assistance from a **Face-2-Face AMS Teacher Tutor**. Contact Ms. Parker to sign up: lparker2@bcps.org, or Ms. D'Andrea: ndandrea@bcps.org.
- Teachers have a uniform format on Schoology to post work for quarantining students. Instructional materials will be posted online within 24 hours of the date of the lesson.

***Quarantine Scenarios: Determined by contact tracing by Arbutus Middle School nurse
and BCPS Office of Health***

Scenario	Accessing Learning	Support	Attendance Expectations
One student is positive and must quarantine. Less than half the class are close contacts or only a few students have been in close contact.	<ul style="list-style-type: none"> -Students check Schoology for daily assignments. -Students attend coach class with their teacher. -Teachers will make the Google Meet link available in Schoology. (If and when available) -Students have the option to meet with dedicated teachers via Google Meet after school at times designated by the teacher. 	<ul style="list-style-type: none"> -Teachers update Schoology with daily assignments and activities. -Teachers will establish coach class hours and post on Schoology. -During coach class, a teacher does the following with quarantining students: <ul style="list-style-type: none"> ▪ Connects/checks in ▪ Clarifies assignments ▪ Answers questions ▪ Provides feedback ▪ Spends 5–60 minutes with students 	<ul style="list-style-type: none"> -Students will be expected to log in to Schoology while quarantining.

Half of the classroom must quarantine.	<ul style="list-style-type: none"> -Students check Schoology for daily assignments. -Students attend coach class with their teacher. -Students have the option to meet with teachers via Google Meet after school at times designated by the teacher. 	<ul style="list-style-type: none"> -Teachers will update Schoology with daily assignments and activities. -During coach class, a teacher: <ul style="list-style-type: none"> ▪ Connects/checks in ▪ Clarifies assignments ▪ Answers questions ▪ Provides feedback ▪ Spends 5–60 minutes with students ▪ Progress monitors grades with students ▪ Clarifies current and missing assignments 	-Students will be expected to log in to Schoology while quarantining
Entire classroom must quarantine.	<ul style="list-style-type: none"> -The class switches to virtual instruction and checks Schoology for daily assignments. -Students attend office hours with their teacher. -Students have the option to meet with dedicated teachers via Google Meet after school at times designated by the teachers. 	<ul style="list-style-type: none"> -Teachers will set up a Google Meet meeting room for virtual instruction. -Teachers will update Schoology with daily assignments and activities. 	-Students will be expected to log in to Schoology while quarantining.
Teacher must quarantine.	<ul style="list-style-type: none"> -Students are in class with a substitute teacher. -Students check Schoology for daily assignments. 	-Department Chair will update Schoology with daily assignments and activities.	-Students will be expected to log in to Schoology while quarantining.
School must quarantine.	The school will switch to virtual instruction, and students will check Schoology for daily assignments.	<ul style="list-style-type: none"> -Teachers will set up a Google Meet meeting room for virtual instruction. -Teachers will update Schoology with daily assignments and activities. 	-Students will be expected to log in to Schoology while quarantining.
